LAKE SHIRLEY IMPROVEMENT CORPORATION

The Lake Shirley Improvement Corporation is a 501 (c) (3) public charity dedicated to enhancing, preserving and protecting the quality of the lake and its watershed through the promotion of responsible, effective environmental & educational policies. We shall strive to strengthen and unite the community through recreational, social and civic activities. Our mission is to preserve this regionally unique resource as a pristine legacy for future generations.

Because of the organization's "public charity" designation by the IRS, the association's meetings and membership is open to the general public. Likewise, all the elected LSIC positions are also open to the public as governed by the association's bylaws.

Memberships to the LSIC run from January 1st through December 31st of each year. **Membership fees and contributions to the LSIC are tax deductible.**

Please make check payable to the LAKE SHIRLEY IMPROVEMENT CORPORATION and mail to:
